## Chapter 1 by Chan Yi Teng

test

## Chapter 2 by Gounaitory

Thoughts in my head.

Cat...shit what cat?? How about the jazz concert this evening with Emily?

Everything in my head but test

## Chapter 3 by Gounaitory

"Mr. McCord, please try to concentrate on your test. You know you wont have any chance this time"

## Chapter 4 by Gounaitory

"Uh, yeah I am..." and I looked at my paper with surprise. I looked through the questions again.

Nothing. Nothing, I could do with that

## Chapter 5 by Gounaitory

The testing was on quantum physics but I was from social sciences class. And I had to help my twin brother Mark--to replace him because he was terribly ill.

"I demand Mark, you got me for him and I'll never let him go again."

"Mark McCord! Stop disturbing people around you or leave the class! Last chance!" she said but it was very harsh. I never knew her but she already started to annoy me

## Chapter 7 by intellikat

Just then, David Gounaitory ambled into the room and snatched up my test.

"I got this one mate."

Well, he had somehow managed to write about every chapter so far, so why not let him write my test as well? I did have a cat to feed, after all.

## Chapter 8 by intellikat

David Gounaitory sped through the test, answering question after question. The teacher didn't even care, because David Gounaitory wrote whatever he wanted, whenever he wanted, for whomever he wanted. Knucklepants (Diego) looked over from his test and copied a few answers. In a matter of minutes, Gounaitory was finished.

"Test," said Gounaitory. "Test finished."
